

A Merry Christmas indeed! The Viatorian Community Archives was gifted this Christmas card (left) from the daughter of John Patrick Gallahue, a St. Viator College alum from Piper City, IL.

The card is not dated, but it is assumed to be of the era of Gallahue's years in Bourbonnais. He attended the college's high school department between 1913-1917, then returned home to help with the family farm during the war.

Many thanks to Kathryn A. Smith for this wonderful donation!

Below is Gallahue's class photo, which was published in the June 1917 issue of the college newspaper, *The Viatorian*. Kathryn was able to immediately identify her father --- circled below.
